Proceedings of the meeting of Prince Gulam Mohomedi Charity Fund Committee held at the City Magistrate's Office Mysore at 8 a.m. on Monday the 27th April 1908

Regarding the resolution passed at the last meeting on the subject of a false certificate purporting to have been granted by Mr. Hassanali Baig, Razaali the late clerk has forwarded his

his explanation attested by a Magistrate in Madras. The substance of the explanation is that Razaali denies having written the certificate. Abdus Subhan who is reported by the Police to have made a statement to the effect that the certificate was written by Razaali himself and that he paid the money to the same Razaali, having been sent for and examined, denies that he made such a statement. Rama Rao the acting clerk says that the certificate was produced by and the money paid, to the boy Abdus Subhan now before the Committee. It is difficult to say under what influences the boy made the statement to the Police, or now denies having made such statement. The Board are unanimously of opinion that the boy in any case is not a reliable person and they resolve that unless he pays up within a week from this date sum of Rs 24, paid to his hands to the certificate steps be in a court of

law.

Regarding the case of Rabiya Bi as referred to in the Resolution of the Board dated 8th July 1907 it is found that payment was made to her up to March 1906, according to the Registers of this office; that subsequently payment up to February 1907 was made to one Gouse Peeran Bi without any authority: that there is nothing to shew that such payment was on account of Rabiya Bi the real stipendiary: that the mistake, if it is nothing more than a mistake, was due entirely to Razaali the late clerk, and that Razaali's explanation in the matter is entirely unsatisfactory. Resolved in these circumstances that Razaali be called upon to pay up the amount of Rs 33, being the stipend for 11 months wrongly paid to Gouse Peeran Bi.

It is seen that the list of stipendiaries shews numbers largely in excess of the actual number of stipendiaries. Resolved that the numbers

be

be revised so that the stipendiaries be numbered in a serial order and all unnecessary numbers in the list be omitted.

Regarding Mohadin Bi referred to in the Resolution at the last meeting it is reported by Mr Hassanali Baig that the woman is now at Madras and she is expected to return to Mysore during the present month Resolved that her name be kept on in expectation of her return.

One Majoo Bi ux 88 widow of Mohomed Mohadin Tayer was granted stipend in July 1893 the condition being that the stipend was to continue until her son then 7 years old, attained age. The pension was stopped from January 1908 because the period for which it had been granted had expired. It is now brought to notice that the woman is the widow of a person who was at Seringapatam drawing on account of her social

-to be continued

to her during her life time and that she is now about 45 years of age. The majority of the members are in favor of continuing the stipend to her. Resolved accordingly that the woman be reappointed as a stipendiary for life.

There is a vacancy among Mohomedans caused by the removal of the name one Mohodeen

has absented herself since December 1907
Resolved that in her place, Lal Bi widow
of Hyder Khan, aged about 70 years and
who is blind of both eyes, be nominated

Arrangements have been made
to invest Rs 6500 out of the available balance
at the credit of the Fund in 3½ per cent
Securities and this will bring in an annual
additional income of Rs 227-8 - which is
enough to provide for the nomination
of 6 additional Stipendiaries. It is brought
to notice that the pay of the clerk attached
to this office was reduced from Rs 20 to 15
when the annual income from the funds was reduced
some years ago owing to the reduction of
the rate of interest on Govt of India
Securities. The question of allotting the
increased amount of income due to
the investment of Rs 6500 was duly

idered and it was resolved that
isting number of Stipendiaries
be increased from
Catholic Christians
from

6 to 7 and among Brahmins from 18 to 19 and that the pay of the clerk cannot be raised at present to what it was, before it was reduced, but that it be raised from Rs 15 to 18. These proposals to be given effect to on receipt of intimation from the Comptroller about the investment of Rs 6500 in the Govt of India Securities.

Read petition from Bhagarathi Boyi no 26 praying that her stipend may be continued till her boy came of age. It is noticed that stipend was granted to this woman for 5 years and the period expires by the end of this month The woman still continues to be in her former destitute condition. Resolved that the stipend be continued to her till her boy attains 18 years of age.

Order thereon:-

The first resolution passed by the Committee in their meeting held on the 27th April 1908 is to the effect that one Abdus Subhan should pay up Rs 24, being the amount wrongly received by him as allowances from the Charity Fund under a false certificate. The

2 The second resolution of that meeting is that Razali, the late Clerk of the Charity Fund should make good a sum of Rs 38/- being the amount of stipend disbursed by him by mistake to a wrong individual. It is reported that this amount was also recovered This point is also recorded.

3. The Committee recommend in the second of the resolutions passed by them in their meeting of the 24th June 1908, that the existing number of stipendiaries among the Mohamedans may be increased by 2, among the Roman Catholics by 1, among the Protestants by 1, and among the Brahmins by and that the pay of the Charity Fund clerk raised from Rs 15 to Rs 18 per
